## BACK TO SCHOOL

### To all residents of the PHA:

Masks or face coverings should be worn in indoor public spaces and anytime in public when you are near others who are not in your immediate household. When you wear a mask, you protect others, and when others wear a mask they protect you. It's just like holding a door open for someone: It's being kind and courteous. So continue to practice social distancing and MASK UP. Lets do this for the Food Pantry volunteers, summer lunch volunteers and the PHA Staff. Its very important that you wear a mask when donations are pick up in order for the donations to continue. If you are feeling sick, we ask that you please let us know and stay home. On the left we have some of our volunteers in action.

### Chatham Court Parents:

Please have your children pick up their bikes at the end of the night. It is not safe to leave them on the sidewalk or driveway. Have the children clean up after themselves when hanging out by the picnic table. Have them place all trash inside the dumpsters. Don't let them be litterbugs! Let's keep our property Clean! Let's keep Chatham Court a happy healthy and clean one, as you would like to find it.
